

# Safety Bites Online Training

It's always a good idea to **invest in your team's development and safety skills** and the easiest way to do this is with our Safety Bites.

Safety Bites are **monthly mini courses** that your team are enrolled in across the year. This is a great additional benefit to your typical Level 1, 2 and 3 training, comprising a variety of topics that our safety experts have decided will be most useful to support your teams this year.

You can **swap the order of the courses to suit your schedule** and pick which members of your team you want to complete each - it's not one size fits all.

## Main Features

Flexible schedule across the year	✓
Wide variety of safety topics	✓
Short and sweet bite-size training	✓
Simple digital enrolment of staff members	✓
Gamified training to engage users	✓
Consistent, comprehensive monthly refreshers	✓
Hop in, hop out - accessible from anywhere	✓

## Interactive Online Training for User Engagement

Our bite-size training courses are created with the same care and safety expertise as our full length courses, **written by safety professionals** and including all the **videos, interactive games and quizzes** that make it so engaging.

### Safety Bite Topics

- How to Prevent Accidents
- Acrylamide
- Pest Control
- COSHH Awareness
- Effective Cleaning
- Cross Contamination and E. coli
- As Safe As Ice
